ONLINE: EXAM TIPS

TECHNICAL REQUIREMENTS:

- ✓ The exam is meant to be done at home or in each candidate's personal space
- ✓ It is not designed to be done in groups or shared spaces
- ✓ Any average home Internet connection should be sufficient for connectivity
- ✓ The exam can be done on a PC, laptop, desktop or tablet with a keyboard
- ✓ The use of cellphones for completion of the exam should be discouraged
- ✓ All candidates need a camera, either inbuilt in their devices or added to them
- ✓ Cellphones can be used as cameras
- ✓ The use of headsets is highly recommended but optional

BEFORE THE EXAM

- ✓ Candidates will receive their exam information a week before the exam.
- ✓ This information will be sent to the registered email address at the moment of enrolment.
- ✓ Centres which enrol groups should be in charge of distributing this information among their candidates.
- ✓ Candidates will have a week to check the access details and become familiar with the platform.
- ✓ If candidates do not receive their access information via email, this information will be available for download from our webpage using the candidate's ID number (DNI).
- ✓ Avoid last minute rushes and make sure you go over these stages to have sufficient time to solve any possible inconveniences.

DURING THE EXAM

- ✓ Candidates will name themselves on zoom (name and surname)
- ✓ Candidates will have their ID at hand in case it is requested for identification purposes
- ✓ Candidates' microphones will be muted at the start of the exam and during the listening part (the invigilator can unmute the candidates for security reasons)
- ✓ Cameras must be on throughout the exam and pointing at the candidates' complete faces
- ✓ Written exams completed on the E-Campus without the candidate visible on Zoom will not be saved on the platform
- ✓ Any technical inconvenience during the exam can be reported through our webpage up to 72 hours after the exam

ONLINE: TIPS TO IMPROVE THE EXAM EXPERIENCE

- ✓ **Test access details in advance and with the same device to be used the day of the exam**
- ✓ **Show the platform to your students**
- ✓ **Make sure your candidates have the correct access data at hand**
- ✓ **Train your students to use some Zoom basics (chat box, hand raising, etc)**
- ✓ **Provide your students with digital activities**
- ✓ **Help students become acquainted with the keyboard**
- ✓ **Make sure browser translators are disabled**
